

A group of eleven students, seven men and four women, are posing for a photo. They are all wearing blue t-shirts with a white circular logo that features a stylized tower and circuit lines. They are standing in front of a large blue banner that reads "WARWICKHACK" in large white letters, with "Make. Create. Innovate." in smaller white letters below it. To the right of the main text on the banner is a shield-shaped logo with "MLH" at the top, "SEASON" in the middle, and "17" at the bottom. The background is a wooden wall with vertical slats.
